Standard Fire and Special Perils Insurance Policy

Property Testing and Commissioning Clause

Policy is extended to include erected property/equipment commissioned during the policy period. The Insured shall give intimation on any such additions well in advance so that Inspection and Certification by an Independent Agency can be arranged by the Insurer as to completion of the takeover/hand over protocol of the subject plant/equipment. Subject to satisfactory certification, the subject plant/equipment shall be included in the Operational Insurance without waiting for 100% Performance Testing. However this exclusion doesn't apply to on-going maintenance/schedule turnaround or minor revamp works.
