Standard Fire and Special Perils Insurance Policy

Electrical Clause/Electrical Installation Clause

In consideration of additional premium and notwithstanding to the contrary contained in this policy it is hereby agreed and noted that Loss or Damage by fire to the electrical appliances, apparatus, fixture or fitting insured under this policy arising from or occasioned by overrunning, excessive pressure, short circuiting, arcing, self-heating or leakage of electricity from whatever cause (lighting included) is covered subject to the terms and conditions of the Policy, but it is expressly understood that no liability exists under this policy for loss or damage to any electrical machine, apparatus, fixing or fitting or to any portion of the electrical installation, unless caused by fire or lightning.
